RULES AND REGULATIONS

All competitors in all ridden events must be wearing the correct riding clothing (including footwear), otherwise the Committee has the right to refuse entry. Hard hats with a chinstrap should be worn at all times when on horseback, even when not competing. *See below for Riding Hat requirements*

Owners entering their horses/ponies do so entirely at their own risk and it is a condition of entry that no liability of any kind attaches itself to Brailes Horse Show or its Committee in any respect whatsoever, other than the liability for the refund of entry fee in the event of abandonment of a competition. In the event of a postponement due to bad weather or any other unforeseen circumstances, no refund of entry fees can be made.

In respect of junior classes where a certain age is specified, proof of age may be necessary. Age to be taken as that on the show date.

All owners and riders (and where applicable, their parents or guardians) of horses/ponies entering any competition in this show will be expected to behave with propriety and to comply with any requests of the officials promptly and without argument. In the case of unseemly behaviour, by word or deed, the Committee reserves the right to disqualify the offender and order him or her to leave the ring. The organisers reserve the right to return or refuse any entry.

The decision of the judges shall be final. Objections of any kind must be made in writing and delivered to the Horse Show Secretary, together with a deposit of £10 for each objection, on the day of the Show. Such objections will be considered by the Brailes Committee and their decision will be final. The deposit will be forfeited if the objection is considered frivolous.

*We are obliged to follow the recommendations of the Pony Club, relating to riding hats. To compete in this event, competitors must wear a riding hat that complies with one of the following standards or any later standards that may have been subsequently introduced (in addition, body protectors are strongly recommended):

PAS 015 1998 & 2011 with Kitemark or Inspec IC mark: VG1 with Kitemark or Inspec IC mark: ASTM F1163 043a onwards with SEI global mark: SNELL E2001 and E2016: AS/NZS 3838 2006 onwards with SAI global mark.
